DEDICATION

Jerry Krietzer
(Mr. K.)

There are so many words to describe the impact Mr. Krietzer had on the students at RHS. Not only was he an amazing communications teacher, but he was a welcoming face, a wonderful mentor and a trusted friend.

The class of 2007 greatly appreciates all Mr. K has done for us and we are very proud to dedicate our year book to Mr. Jerry Krietzer. Not only did he give us knowledge to take as we venture out into a world full of opportunity, but he gave us skills to understand people and situations positively. With these skills we can be sure that in any situation, because of him, we will succeed to our fullest. We wish him luck with his next endeavor!

A large group of young people, likely a school group, are posing for a photo in front of the Eiffel Tower in Paris. The group is diverse in age and appearance, with many wearing sunglasses and casual summer clothing. The Eiffel Tower is prominently visible in the background, rising behind the group. The overall mood is cheerful and suggests a fun group outing.

I hope the days come easy
and moments pass slow,
and each road leads you where you wanna go,
and if you're faced with a choice
and you have to choose,
I hope you choose the one that means the most to you.
If one door opens to another door closed,
I hope you keep on walking
till you find the window.
If it's cold outside, show the world the warmth of your smile...

*In Loving Memory of
Justin Hackett*

November 11, 1988- September 18, 2006

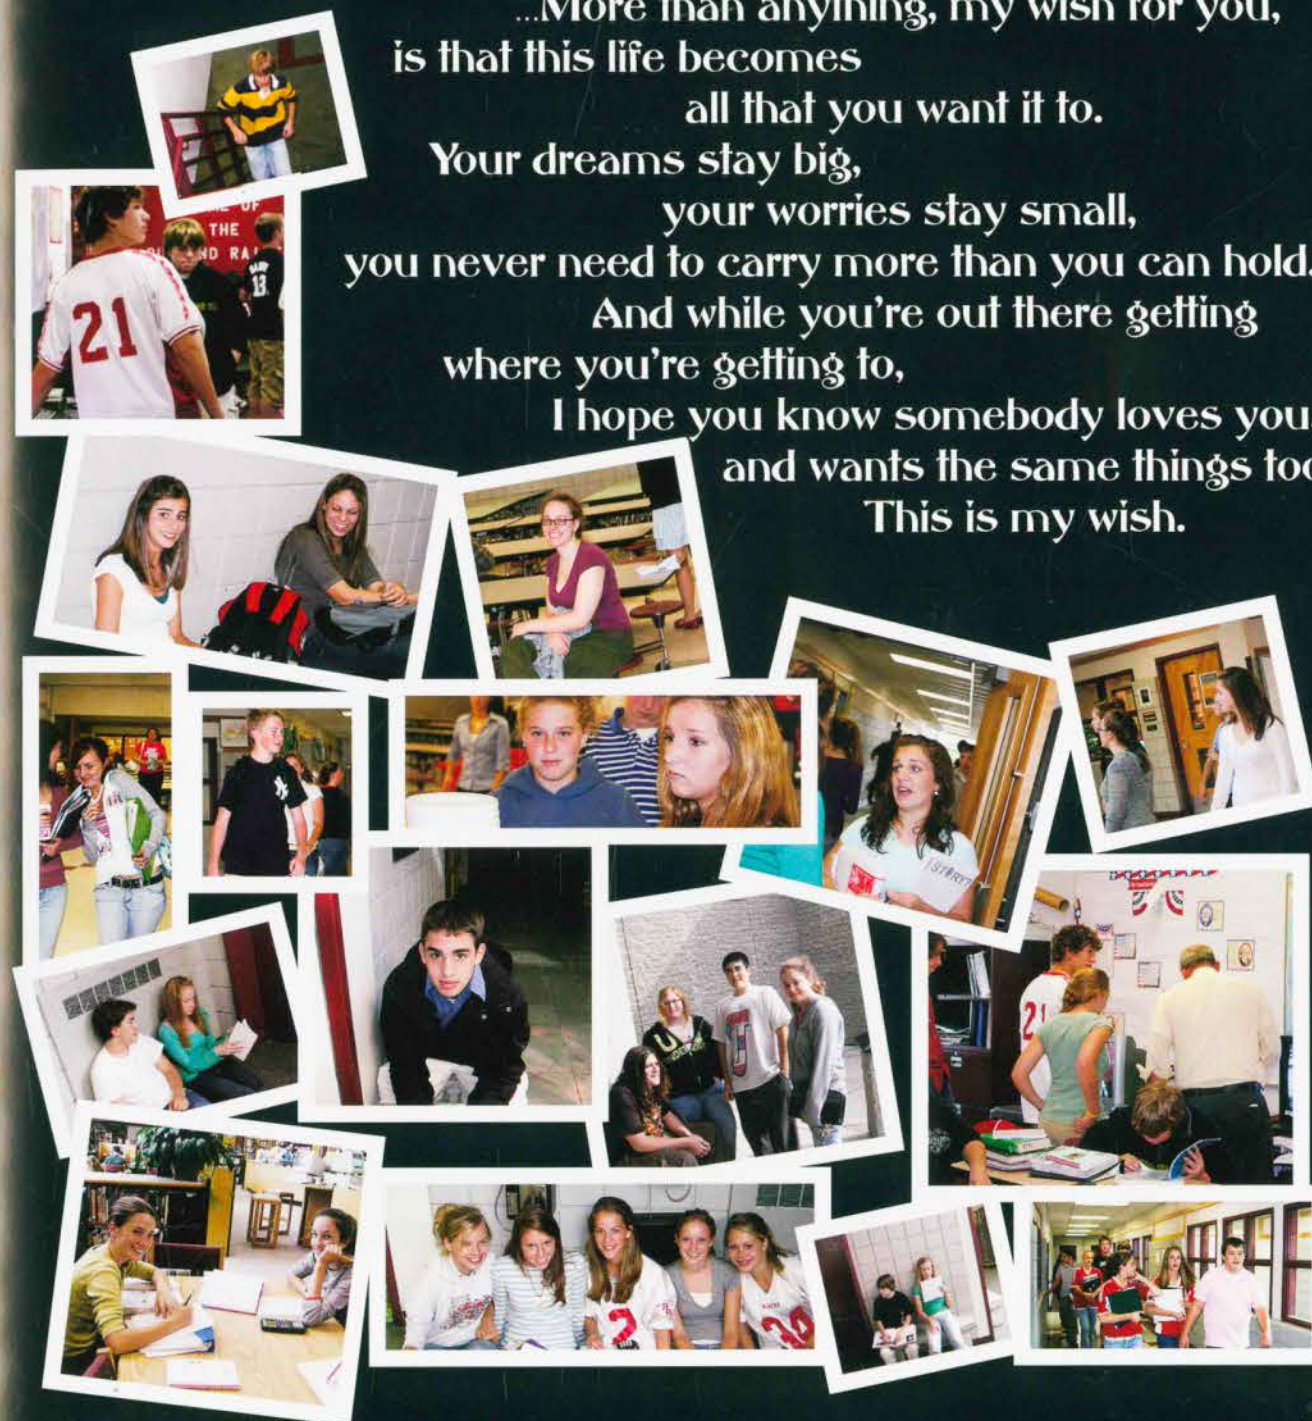

Justin Hackett was a much loved student at RHS as he was so full of life and loved so many people. Prior to his death Justin lived with his foster parents, Kerry and Laurie Collins, along with their two children. Justin spent his time bowling with his friend Adam Scott which earned him a spot on the Unified Olympics team where he took the Gold medal home last year. Among his favorite classes here at RHS were art and social studies where spending time with Mr. Lower, Mr. Spafford, and Mr. Peterson made these subjects very enjoyable for Justin. Being a devoted Red Sox fan Justin would tell you that *Fever Pitch* was his favorite movie. But when it came to hobbies he mainly enjoyed joking around and girl watching as he sped around in his electric wheelchair. Justin was a part of Jane Butler's 05'-06' class and Craig Shappy's 06'-07' class where he worked with Charlotte Scott, Christie Palmer, Chris Churchill, Diane Plantier, Bob Bassett, Steve Marro, and Jeff Sawyer. Justin was a great student, brother, and friend who is loved and missed by all.

*If you were with us tonight,
We would sing to you just one more time,
A song for a heart so big,
May angels lead you in.*

Class of 2009

...More than anything, my wish for you,
is that this life becomes
all that you want it to.
Your dreams stay big,
your worries stay small,
you never need to carry more than you can hold.
And while you're out there getting
where you're getting to,
I hope you know somebody loves you,
and wants the same things too.
This is my wish.

I hope you never look back
but you never forget,
all the ones who love you
in the place you left.
I hope you always forgive
and you never regret,
and you help somebody
every chance you get.
May you find God's grace
in every mistake,
and you always give
more than you take.
